

Course Registration for Graduate Program, Spring Semester, 2024

1. Course Registration

1) Course registration period: Feb. 14th (Wed) 10:00 ~ Feb. 16th (Fri) 17:00

※ Only for freshmen: Feb. 28th (Wed) 10:00 ~ Mar. 4th (Mon) 17:00

2) How to register: visiting the website, www.yu.ac.kr

3) Course registration correction (drop & add) period: Mar. 7th (Thu) 09:00 ~ Mar. 8th (Fri) 17:00

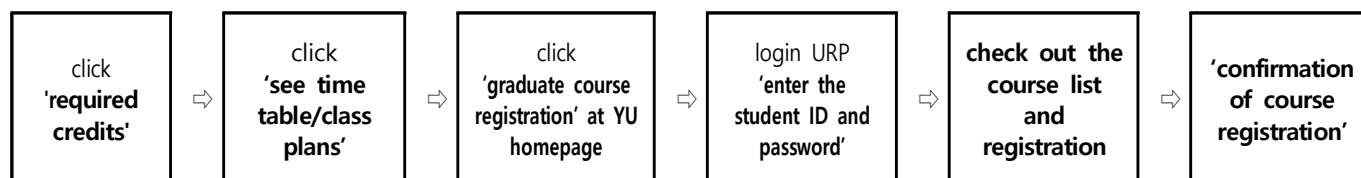

2. Required credits to complete coursework

course		required credits		
		basic, major and elective course credits	research credits	research ethics credit
Master	up to freshmen of 2013	more than 24 credits ※ including at least 3 basic common course credits and 6 major course credits	6 credits ※ application available from the 2 nd semester ※ application available from the 1 st semester for 'combined BA/MA degree program' students and 'BA/MA mutual credit accreditation program' students	N/A
	from freshmen of 2014	more than 24 credits ※ including at least 3 basic common course credits and 6 major course credits	6 credits ※ application available from the 2 nd semester ※ application available from the 1 st semester for 'combined BA/MA degree program' students and 'BA/MA mutual credit accreditation program' students	1 credit ※ 1 credit within 4 semesters
Doctor	up to freshmen of 2103	more than 36 credits ※ including at least 3 basic common course credits and 12 major course credits	8 credits ※ application available from the 1 st semester	N/A
	from freshmen of 2014	more than 36 credits ※ including at least 3 basic common course credits and 12 major course credits	8 credits ※ application available from the 1 st semester	1 credit ※ 1 credit within 4 semesters
Combined MA/MS & Ph.D.	freshmen before 2009	more than 60 credits ※ including at least 6 basic common course credits and 18 major course credits	12 credits ※ application available from the 2 nd semester	N/A
	freshmen from 2010 to 2012	more than 54 credits ※ including at least 6 basic common course credits and 18 major course credits	12 credits ※ application available from the 2 nd semester	N/A
	freshmen of 2014	more than 54 credits ※ including at least 6 basic common course credits and 18 major course credits	10 credits ※ application available from the 2 nd semester	N/A
	from freshmen of 2014	more than 54 credits ※ including at least 6 basic common course credits and 18 major course credits	10 credits ※ application available from the 2 nd semester	※ 1 credit within 6 semesters

3. Maximum credits for course registration/semester

course	credit				
	basic, major and elective course credits	research credits	departmental seminar credit	research ethics credit	supplementary subject (Those whose major is not the same with previous BA major)
Master	9 credits ※ including under-graduate of YU and credits from master's program of affiliated universities	2 credits ※ application available from the 2 nd semester ※ application available from the 1st semester for 'combined BA/MA program and BA/MA mutual credit accreditation program students	1 credit	1 credit ※ 1 credit within 4 semesters	9 credits ※ registration available up to 15 credits including 'basic, major and elective course'
Doctor	9 credits ※ additional registration for 3 credits is available in the 4 th semester including credits from master's program of affiliated universities	2 credits ※ application available from the 1 st semester	1 credit	1 credit ※ 1 credit within 4 semesters	9 credits ※ registration available up to 15 credits including 'basic, major and elective course'
Combined MA/MS & PhD	9 credits ※ additional registration for 3 credits is available in the 6 th semester including credits from master's program of affiliated universities	2 credits ※ application available from the 2 nd semester	1 credit	1 credit ※ 1 credit within 6 semesters	9 credits ※ registration available up to 15 credits including 'basic, major and elective course'

4. Course registration procedure

※ Students of Master's program who finished 3 semesters must click 'how to obtain degree' in the option of 'thesis' or 'non-thesis' before the 4th semester course registration.
(refer to attachment of #3 & #4 below)

1) Check 'required credits (courses)'

- How to check: ① Click 'registry management' → ② Click 'school register query/edit' →
③ Click 'matters on grades' → ④ Check 'completion category' and 'credits'

3) How to login

- How to login: ① Browse through the YU portal service (<http://www.yu.ac.kr>) → ② Click '대학원 수강신청(Graduate course registration)' → ③ Enter the student ID and password/select language → ④ Click on '로그인 (Login)'

The screenshot shows the Yeungnam University portal. A red box labeled ① highlights the university logo. A blue box labeled ② highlights the '대학원 수강신청' (Graduate Course Registration) link. A red box labeled ③ highlights the login fields: '학번(Student ID)', '비밀번호>Password', and '언어(Language)' (set to Korean). A red box labeled ④ highlights the '로그인(Login)' button. A blue arrow labeled '팝업창' (Pop-up window) points from the login area to a separate window.

4) Course registration

- How to register: ① Select the 'school' → ② Click on 'retrieve' → ③ Enter 'registration No.' → ④ Click on 'Register' → ⑤ Click on '확인(Confirm)'

The screenshot shows the course registration process. A red box labeled ① highlights the 'School' dropdown menu set to 'DEPARTMENT OF PUBLIC LAW'. A red box labeled ② highlights the 'Retrieve' button. A blue arrow labeled 'Mark' points to the 'Retrieve' button. A blue box labeled ③ highlights the 'Registration No.' field with the value '0001'. A red box labeled ④ highlights the 'Register' button. A blue arrow labeled 'Pop-up' points from the 'Register' button to a pop-up window. The pop-up window, labeled ⑤, asks 'Do you want to register Registration No. [0001]?' and has a '확인' (Confirm) button and a '취소' (Cancel) button.

- When you register courses, you have to confirm "Course Category" to identify required credits until completion.
- Course Category

core	basic subjects related to the major
major	general, seminar, Individual research subject in the major
elective	subjects in other departments
supplementary	students with different majors in their undergraduates or master's courses need to take supplementary classes.
research	Master/Doctor/Combined Courses (MA/MS & PhD)
research ethics	compulsory for students admitted since 2014 & elective for students admitted before 2014
non-thesis project	compulsory for those who seeks for non-thesis Master's degree

- Confirmation of class registration

After you have finished course registration, check out the details of yours by clicking on "registered classes". After application, go to "student URP → registry management → school register query/edit → course registration" or "student URP → class management → course registration → registered classes"

5. Checklist for Course Registration

- 1) You need to consult with your academic advisor or the head professor of the department before taking courses.
- 2) Doctoral student who has obtain the Master's degree of Yeungnam University (YU) should not register for the same courses taken in his or her master's program.
- 3) Students who need to take supplementary classes must submit "Transfer Credits/Supplementary Courses for Degree Completion" before registering for the classes.
- 4) Students need to submit "Change of Supplementary Courses to be Taken" when changing supplementary classes due to a class schedule overlapping and non-opening of classes.
- 5) If less than 2 students in a new class, the class (except 'Individual research course') will be closed. Make sure to check the list of closed classes when you are trying to change class schedule during correction (drop & add) period.

6. Other Information

- 1) '**Research Ethics**' is an online course.
 - (1) How to take course: login YU homepage → click on '인터넷강의 (Internet class)' on the lower right → hand → click on 'My page' → click on '강의실입장 (enter the classroom)' on the lower right → click on "나의강의실 – 강의수강 (My classroom-Taking class)" on the upper left
 - (2) Grades are specified as either P (pass) or NP (non-pass), and absence of 25% (1/4) off the scheduled classes will result in Fail.
- 2) In regard to scholarship for international students and other scholarship programs, refer to Graduate School Homepage → Support → Information on scholarship
- 3) Application for **Credit Exchange**
 - (1) Credit Exchange agreements with 16 institutions(universities)
 - Kyungpook National University, Gyeongsang National University, Daegu University, Keimyung University, Gyeongju University, Chosun University, Dong-A University, Wonkwang University, Kumoh National Institute of Technology, Andong National University, Catholic University of Daegu, Sookmyung Women's University, KAIST, University of Science Technology, Jeju National University, Pusan National University
 - (2) How to apply: Check out the classes from the homepages of the listed institutes above. Then fill out "[Application for Credit Exchange Courses of the Graduate School](#)", and get a signature from your advisor or the head professor, and submit the form to the graduate school administration office
 - (3) Credit Acceptance Policies

Master	Up to 12 credits total (over 9 credits including 'Basic, major and elective credits' is not applicable)
Doctor	Up to 18 credits total (over 9 credits including 'Basic, major and elective credits' is not applicable)
Joint MA/MS/PhD	Up to 24 credits total (over 9 credits including 'Basic, major and elective credits' is not applicable)

3) Permission for Undergraduate Course Registration

- How to apply : "Student URP → Class management → 학부시간표조회 (Check undergraduate course schedule)". Then fill out "Permission for Undergraduate Course Registration", and get a signature from your advisor or the head professor, and submit the form to the graduate school office.
- Only available for Master's degree course students. (up to 6 credits)

4) Course structure change from other majors or other departments of YU Graduate School

- (1) How to apply: "Student URP – Class management – See time table/class plans" Fill in the form "Course Structure Change from other majors or other Departments of YU Graduate School" and get a signature from your advisor or the head professor, and submit the form to graduate school office.

※ For the form, See : YU Graduate School website - "각종서식" - "대학원 타학과 타전공 이수구조 변경 신청서"

- (2) If courses taken in another major or department are equivalent or similar to the major courses of the home department, credit hours may be counted as major credits.

※ Courses taken in another major in the same department or other departments, these courses are completed as "elective" courses.

※ If "credits of elective courses" need to be recognized as "major credits", you should submit "Course Structure Change from other majors or other Departments of YU Graduate School" to the graduate school office.

- (3) Master student and Joint MA/MS/Ph.D student within 4 semesters can take courses opened by another graduate school at YU within 12 credits. When such enrolled courses are same as or similar to major courses of affiliated major, they can be transferred as major credits.

※ If you take courses of another major in another graduate school at YU, these courses are completed "elective" courses, and if you want to transfer "credits of elective courses" as "major credits", you should submit "Course Structure Change of another major of the another Department in the Graduate School" to the graduate school office.

7. Check 'Required Credits for Graduation

- How to confirm: click ① Graduation management → ② 이수내역조회 → ③ 이수내역 판정 확인

The screenshot shows the Yeungnam University URP Student Information system interface. On the left, a menu is visible with 'Graduation management' selected. The main area displays a table titled '이수내역' (Credit Completion History) with columns for 학점사항 (Credit Item), 구분 (Category), 등록횟수 (Registration Count), and 이수학점 (Credit Completion). The table lists four items: 기본학점 (Basic Credits), 위독학점 (Attendance Credits), 수강학점 (Course Credits), and 판정 (Evaluation). The evaluation column shows 'OK' for the first three and 'No Pass' for the last. Below the table, a note states: '※ 판정: "-학점"은 수료 기준학점이 부족하여 재학 중 취득해야 할 학점입니다. ※ 수강신청을 한 경우는 수강신청한 학점 모두 이수하는 조건으로 판정하였습니다. 상세한 내용은 대학원 행정실로 연락주시기 바랍니다.'

학점사항	구분	등록 횟수	이수학점				연구 학점	연구 필수	보충 과목	중점 영양	자격시험		
			계	기초	전공	선택					외국어시험	통시결과	통시전공
기본학점	4	24	3	6	0	6	1	12					
위독학점	1	9	3	6	0	0	0	6	4				
수강학점	0	0	0	0	0	0	0	0					
3 판정	-3	-15	OK	OK	OK	-6	-1	-6	OK	No Pass	No Pass	No Pass
