

KIMCHI ONE DAY TOUR FOR FOREIGNERS

(The Korean Food Promotion Institution on Oct.25, 2021)

□ Purpose of Event

- In response to the recent controversy over the origin of Kimchi, there is a need for an opportunity to spread correct information about Kimchi such as the history, recipe, and origin to foreigners.
- In addition, considering that foreigners don't have many opportunities to experience K-food and Korean culture due to the COVID-19, we would like to invite foreigners living in Korea to introduce Kimchi, Kimjang, and traditional Korean culture.
