- 체류관련 민원 방문예약 시행

Notice from Immigration Office
- Visit Immigration Office after making a reservation

학기가 시작되는 시기에 출입국·외국인사무소에 민원 신청인이 많아 출입국·외국인사무소에 어려움이 있어 개별 방문접수를 허용하지 않고 방문 예약제를 시행합니다. 그러므로 체류연장, 변경 등 개별 방문이 필요한 경우 방문시간을 예약하고 방문하세요.

Instructional Video on Visit Reservation

- A visit reservation allows you to arrange a date and time on-line before visiting an immigration office
 - just as you would reserve a flight/movie ticket or make an appointment with your doctor.
- If you make a reservation and visit the immigration office with a receipt, you can file applications with an exclusive counter at the arranged time without waiting.
 - Available time for online reservations: 24/7
 - Who can use the services: registered HiKorea members only
 - One-day advance policy: you should make a reservation at least one day prior to the potential appointment date. Therefore, a reservation made on the appointment day is not effective.
 - Reservations for the extension of stay can be made up to 4 months in advance of the expiration date of stay
 - Cancellation of reservations: you can cancel a reservation until the day before the appointment date. (You cannot cancel your reservation on the appointment day.)
 - Void reservation: please be advised that if you cancel a reservation, or if you do not make an appearance until five minutes past the arranged time or designate a wrong office or counter, your appointment becomes ineffective.

※ As of May 29, 2017, reservations for visit can be made using civil petitioner's real name only. Therefore, those who want to make reservations for visit are required to log in after signing up for the membership, or become authenticated as non-members.

 - Please print out your receipt, make sure that all the details of the appointment are in order (such as the office, date and time, counter or reservation number, etc.), and present it when you come for the appointment.
 - Please go to [My e-Applications > Manage e-Applications] to check your reservation or print out a receipt.
