

English Help Desk

A burden shared is a burden halved.

영어공부 혼자서 고민하지 마세요! 그 짐을
외국어교육원 원어민선생님이 함께 나눠드립니다.
1층 글로벌라운지 English Help Desk로 오세요.

The English Help Desk welcomes you!

- * If you are a member of the university community, you can use the Help Desk
 - to practice English conversation with a native speaker
 - to get advice on improving your English
 - to practice for job interviews
 - to get advice on your completed written work
- * We ask that you have a topic in mind for the free talking and stay for only 15 minutes so that others can have a chance.
