

“Colour the School” Summer Community Service Programme in Hong Kong

A fascinating opportunity for arts students from partner institutions to spend two weeks in the summer in selected schools in Hong Kong and lead wall paintings and other art projects that enhance the schools’ campuses. The highly subsidised programme offers a great way for arts students to put what they have learnt into practice, interact with HKIEd students, and share their culture and creativity with others. Accommodation, local transportation to schools, and on-site meals are arranged by IO. Further details will be announced shortly on IO website: www.ied.edu.hk/io/departamental-activities.
